Accessibility in our Building

Nottingham Women's Centre is based in a listed building and not all of our rooms are accessible to those with mobility difficulties. Access to the first and second floors is via stairs. There are 20 steps to each floor in the building, with chairs to rest between the first and second floors. Wheelchair access is available on the ground floor through the main entrance and on the lower ground floor to the rear of the building. If access is required to the lower ground floor, reception must be informed, as a staff member will need to wait at the fire door to enable access. All the course descriptions in this booklet give details of which floor each specific activity will be taking place. Please contact us if you would like to arrange a visit to see the space where a particular activity will happen, or if you have any further questions regarding accessibility.

It may be possible to start the following week but this would need to be agreed with the course tutor in advance.

Women and Confidence Building

If you'd like to feel more confident (whatever your circumstances) when dealing with everyday situations, or to improve your skills at talking to people and *also* make positive changes in your life, then **join us to find out how!**

We are offering 2 linked courses which will aim to help you to improve and develop your confidence, by building on the skills you already have (and you do have some!) and learning new and practical ways of dealing with those situations that are particularly problematic. We will see how and why things can go wrong so we can put them right! We will also explore how to make changes in your life, how you see the world, and to find new confidence in yourself, within it.

Women and Confidence Building (part 1)

Part one will start by exploring ways to better understand some common social difficulties - such as dealing with emotions (yours and other people's!) - that often make us feel uncomfortable and some very *practical* ways to 'manage' interactions eg how to say 'no' or deal with criticism or ask for what you want – without feeling awkward! Sometimes, it's not *what* you say, but *the way* that you say it!

5. What are my options after taking this course/activity?

There is a second, five-week course starting immediately after this one, see the following page for details.

Women and Confidence Building (part 2)

This course will build on Women and Confidence Building part 1 (see previous page) and focus on learning how you *can* cope and handle situations with confidence (staying calm, safe and okay!). This will also involve learning about making plans to complete a small (to start with) practical task or to change something in some aspect of your life. The idea is to discover how a new confident ‘you’ – can build self-esteem and use your new skills to enjoy family, social or work life more.

Yoga

Not ordinary, inspired, strengthening, empathic Yoga (NOISEY)

This unique Yoga session has specially developed over nearly two decades to empower the diverse users of the Centre. Many of the women who come here have experienced aggression; have been repressed and unable to express dissent or joy or even to express their sexuality. We are all at different levels of ability.

For this reason, the (NOISEY) Yoga session here at the Centre is not the usual quiet place that some might expect. It may be a little loud at times and even a bit anarchic and include a sense of fun. Despite some assertions, Yoga isn't meant to be a silent ritual. However, at the beginning and end of our sessions we always enjoy a quiet meditation period. So hopefully those of you who come can progress happily within these boundaries.

If you prefer a quieter more regimented type of Yoga, sadly this class may not be for you but we may have another option for yoga coming soon

Counselling

Nottingham Women's Centre is committed to providing professional low cost one to one and group counselling and therapeutic services to support the wellbeing of women over the age of 18 across Nottingham city and the surrounding area.

Whether it's problems in your personal, work, or home life, whether you are trying to deal with the past or something that's going on right now, having someone to talk to who you can trust, in a safe and supportive environment can make a big difference.

We can offer both short and long term counselling; the duration of your counselling will be agreed between you and your therapist based on what feels right for you. Each appointment will last 50 minutes and will be on the same day each week with the same counsellor. We ask our clients to contribute between £5 to £25 a session based on their income; this will be discussed with you at your initial session which is free of charge.

Our service is staffed by a mixture of qualified, experienced therapists and trainees who are working towards British Association for Counselling and Psychotherapy (BACP) or UK Council for Psychotherapy (UKCP) accreditation. They are DBS checked, insured and have regular clinical supervision.

If you would like to refer yourself for counselling please speak with our reception or call 0115 9411475 to book an initial appointment.

There are counselling rooms located on the lower ground floor and the second floor

Library

Women's libraries are now in scarce supply across the country and the new Nottingham Women's Centre library is the only one of its kind in the East Midlands. The library still holds most of the original – and often rare – books donated in the 1970s/80s when the library was first set up, as well as more contemporary works.

The space has been refurbished with support from Awards for All, the Co-operative Membership (Central and Eastern Region), the East Midlands Airport Development Fund, Nottingham Girls High School, Experian and the time and hard work of many committed women.

The library was relaunched in 2014 by special guest Kat Banyard, feminist author and founder of UK Feminista, and the Sheriff of Nottingham Cllr Jackie Morris.

Books are available for borrowing to all **members** and you can browse our online catalogue by clicking the Library link on our website; see the page in this brochure for benefits of Nottingham Women's Centre membership and how to apply.

The library is open from 9.30am to 4.30pm, Monday to Friday.

The library is located on the second floor, there is a selection of books available to browse in the welcome space on the ground floor.

Volunteering

We have a range of long and short term volunteering roles and opportunities across all aspects of the Centre's work, from internships and counselling placements to peer support volunteers on courses. We also occasionally have opportunities for volunteering remotely and at events. Volunteers are an integral part of the work of the Centre and without their generosity, time and broad range of skills we would not be the organisation we are today. We estimate that volunteers save us around £15,000 in wages every year and that means we can support women to do even more amazing things!

Employment Projects

Opportunity and Change

Towards Work

Ask about both of our employment projects which deliver a gentle, holistic package of support to help women to develop their own personal progression into employment, self-employment or further training/education.

Lesbian Immigration Support Group

The main aims of the group are:

To provide a social network offering emotional support to lesbians and bisexual women who are currently applying for asylum and those refugees who have been granted leave to stay in the UK.

To offer practical support and assistance to members with current asylum applications based on sexuality to help ensure that our members are treated fairly and with dignity during the often inhuman asylum process.

All asylum seekers, refugees and immigrant women who identify as lesbian or bisexual are welcome to join!
