United Voices Choir

The United Voices Choir is made up of diverse women from all walks of life who meet at Nottingham Women's Centre to find empowerment through singing together. The songs we sing are well known pop/soul songs with empowering lyrics. Recent examples include Girl on Fire, You've Got a Friend and Beautiful. Choir members learn the songs by ear, including adding layered vocals and harmonies. A copy of the song lyrics is provided. The choir performs live at community events around Nottingham and members are encouraged and supported to take part in a least one performance per term, usually on a Saturday afternoon.

Frequently asked questions

1. Can I just turn up on the first day?

No, to guarantee your place, please register in advance (see above)

For those experiencing financial hardship, we also have a limited number of 'pay as you can afford' places, which are allocated on a rolling basis.

All choir members must be able to hold a tune and clap in time to a beat. You will also need to be comfortable with learning songs by ear (we don't use sheet music). The weekly classes also include vocal coaching and tips, so you'll learn how to improve both your singing and confidence!

Vulva Bunting Workshop – Big Give 2025!

Our Vulva Bunting Workshop combines cheeky fun with creativity in celebration of body positivity, self-expression, and laughter. Come along and be part of our drop in workshop creating bunting out of paper or fabric materials to decorate the centre!

Meet other women, enjoy some crafts and support the centre all in one session.

This workshop is part of our 'Space to Talk' fundraising campaign, with all proceeds going towards funding our vital counselling work as part of our Big Give Campaign.

Led by Freedom4Girls, a period poverty charity who work to campaign against stigma, taboo and gender inequalities associated with menstruation.

Writing for Wellness

Are you someone interested in writing? Or a total beginner? Are you looking for ways to manage your emotions? Or express yourself creatively? Or simply to enjoy yourself?

This 8-week writing course will help you to learn more about writing as a tool for your well-being. Writing can help you to sort through your thoughts, process your emotions and express yourself, and you never know, you might have some fun along the way!

Each week we will engage with our senses, try out new activities, discuss our thoughts and opinions, share and read pieces of writing or poetry - even wrestle with the “I don’t get it” or “I can’t do this”. By the end of the course, no matter your prior experience or ability level you will have a piece of writing you’ve created.

Come join us and write in a safe space, free from criticism.
